

AGNICO EAGLE

January 6, 2026

Dear Community Partners,

Agnico Eagle is writing to share an update regarding our Community Investment Program.

Please note that we will be pausing the acceptance and review of Community Investment applications during January and February 2026. This short break will allow us to introduce a new application system and make improvements that will strengthen the program for Agnico Eagle and our community partners.

Applications submitted as of January 6, 2026, will be acknowledged, and applicants will be informed of the pause. In exceptional cases, time-sensitive or critical requests may still be reviewed.

We appreciate your understanding as we take this important step to improve how we support local initiatives. We'll share details on when regular intake will resume once the new system is in place.

Thank you for your continued partnership.

Sincerely,

Cameron Grant
